

HATFIELD FIREWORKS FUND INC.

Post Office Box 224 Merrilan Wi 54754

First Annual Fund Drive

The Hatfield Fireworks Fund Inc. was formed on July 5, 2014 following a dismal fireworks display the night before. Several business people, Lake Association members and local residences decided that the Lake Arbutus fireworks tradition needed to be rebuilt. This new group has incorporated, has a Federal EIN#, and a bank account for collected funds. Our only goal will be Fireworks at Hatfield on the Fourth of July.

We are also becoming a 501 © (3) non-profit corporation. Contributions this year will qualify as charitable contributions. Donations of any values will be accepted. We will mail a receipt for all donations of \$100.00 or more. You may use your cancelled check as documentation of your donation. Both a CPA and an attorney have volunteered their services.

A goal of \$5000.00 has been established for this year's Fourth of July Fireworks. In addition, several other goals have been established; full insurance, a licensed and insured "shooter", county, township and Fire Department approvals. Our fund raising will entirely rely on donations, including aluminum can collection, a rummage sale at the Memorial Day Flea Market, meat raffles at the Deerview, donations from the Lake Arbutus Association and Carpfest, local business contributions and donations from individuals.

We are working with the Sea Sprites Water Ski Show for being part of our Fourth celebration and we also are planning a live radio broadcast during the fireworks show. The Fireworks will be shot from the East Arbutus campground beach so it will be able to be seen from the power line crossing to the dam. This should cut down on boat traffic and make it much easier to enjoy from the beaches, campgrounds and lake homes on Lake Arbutus.

The Hatfield Fireworks Fund Inc. is a permanent committee established to guarantee great firework shows for many years to come. Any excess funds raised this year, will be transferred to the 2016 fireworks fund.

Please help us out by donating to the mailing address above, donating aluminum cans at the Lake Arbutus Association's collection point by the Flea Market and Fire Station, donate items for our flea market booth and look for the "Big Firecrackers" (Cash Collection Points) around Hatfield. A PayPal Donate button is also available for your convenience on LakeArbutus.Com. Please encourage your friends and neighbors to support the annual Fireworks Show on Lake Arbutus.

Thank you in advance for your support!
